Sir:

In response to the Office Action dated January 12, 2006, which set a 3-month shortened statutory period for response thereto, and further to the Amendment and Response filed earlier today at the USPTO, please amend the above-captioned patent application as follows. This Supplemental Amendment and Response is filed as the previously filed Response did not completely demonstrate in accordance with 37 C.F.R. § 1.121 the current claim amendments in regard to the original claims due to a clerical error.

Amendments to the claims begin on page 2.

Remarks begin on page 6.
